

## SENIOR SALES MANAGER – ANIMAL FEED ADDITIVES (m/f/d)

Esseco do Brazil is looking for a Brazil-based technical oriented Sales Manager to sell ADDCON's range of animal feed additives within Brazil.

In order to support the Group's growing feed business unit and the rapid growth in all parts of the world, Esseco do Brazil requires a highly motivated and independently working Senior Sales Manager to sell ADDCON's range of silage additives, feed preservatives and feed additives as well as build up a strong network within the industry.

### PROFILE

The ideal candidate has to be very innovative with an excellent working knowledge of livestock industry.

Deep knowledge in feed additives or around silage production would be beneficial.

A minimum experience of 5 years is required.

A good and applicable technical education, or study in the field of agriculture would be appreciated but not mandatory.

The ideal candidate will be based in a home office in Brazil.

It is expected that this position will require the successful candidate to spend at least 50% of their working time travelling within the country.

The candidate will be hired from our Brazilian entity and report to the headquarter based in Germany.

### OFFER

We offer a competitive salary and a lot of add on's, such as internal training, strong support, an attractive bonus system and social benefits.

This is a new position within our Organization and offers the right candidate a new and exciting career in a global leading chemical group.

If you consider yourself to be the right candidate for this position, please send your application including your salary expectations and your earliest starting date as well your comprehensive CV by Mai 15th, 2021 to [jobs@addcon.com](mailto:jobs@addcon.com)
